

Manly man work safety.

Don't:

- ✘ Work without eyes and ears on you.
- ✘ Start without checking everything.
- ✘ Work without safety equipment.
- ✘ Work with unnecessary complications (obstacles and such) around you.

Do:

- ✔ Let someone know.
- ✔ Have someone keep an eye on you.
- ✔ Ensure you or your buddy is within reach of the emergency stop button or valve.
- ✔ Remove all unnecessary complications before you start.
- ✔ Maintain a stable position.
- ✔ Turn it off before moving.
- ✔ Clear your browser history.
